NetWorks 2008: A Collaboration
Through January 18, 2009

"Networks 2008" is part of a much larger effort to create an archive of this moment in Rhode Island art history. Nineteen influential Rhode Island artists are documenting their work through photography, video and exhibition. Presented in collaboration with AS220, Umberto Crenca, Joseph A. Chazan, MD and 5 Traverse.

•

Presidential Letters
Through March 15, 2009

Letters written by the forty-two American Presidents, with photographs and engravings, provide windows into the social and political milieus of these historic presidencies. From the Terrence and Suzanne Murray Collection.
